

A Letter to Welcome all Sunday School Families

Welcome to Sunday School, September 18, 2011. We are excited about another year that is about to begin. This year we hope that our 4 and 5 year olds will join us for children's church directed by Parke Brown at the 9:15 am service. Children will start in chapel and join their families at the peace time. Children in first through 2nd/3rd grade are welcomed to join us for a children's sermon for the 9:15 am service. Children will be dismissed from the service at the appropriate time.

At 10:15 am Christian education period, we will have Sunday school classes that will teach from the gospel of the day, with crafts and games and various activities to help them understand the Word. We will serve a snack and then the children will be taken to the parish hall to meet their parents at 11:00 am.

Child care in the nursery is provided from 9:15 am to 12:15 pm to accommodate services and the Christian education period. Infants-to-3-year olds are welcomed.

We are always looking for volunteers to help out in the classroom with the teachers, so please consider signing up for a Sunday in your child's class or a different one.

We are still in need of teachers for the first, second and third grade classes. Please contact Debbie at debbie@stjamespotomac.org if you are interested.

On the first day please bring a completed [registration form](#). These forms can be found on the website if you need one.

Hope to see you soon!!

Debbie Hokanson,
Sunday School Director
